**MICROSOFT IS PLEASED TO WELCOME TECNET CANADA TO THE MICROSOFT AUTHORIZED EDUCATION RESELLER PROGRAM**

*Discount Licensing options for educational institutions, students and public libraries and museums.*

**Victoria, BC — September 21, 2010—** Tecnet Canada, a BC based computer service firm, today announced that it has expanded its partnership with Microsoft Canada Corp to be included into the Microsoft Authorized Education reseller program. This designation will allow Tecnet to provide discount licensing options for qualifying educational institutions, students and public libraries and museums located in Canada.

Tecnet is adding Microsoft Academic licensing to its portfolio of offerings allowing it to provide more cost effectively solutions to educational institutions through the following programs:

- Select – perpetual licensing for larger institutions
- Student Select – perpetual licensing for students and faculty/staff
- Open – perpetual licensing for smaller institutions
- Full Packaged Product (FPP) – perpetual licensing for very small orders or students
- School Agreement – annual subscription agreement for K-12 (including student options)

"Microsoft Academic licensing fits well with our current offerings and our business philosophy – provide cost effective solutions that enhance productivity." said Matthew Van Heyst, Account Executive. “
